Snapshots of Our Service

How have we served God? Let's read the following testimony.

One time, a couple came to Australia to live for a year. This couple was very fervent, and always made it to service even though they had to drive forty minutes to attend service on Fridays, and even longer on Saturdays.

Though they seemed like a quiet couple, they were observant about the church's needs. Even though it was just the two of them, they decided to buy a bigger car just so they could help transport brothers and sisters to church. They asked the church GA and Transport Group to let them know of any brothers and sisters who lived in the city that needed transportation to and from church. They would contact them and arrange to pick them up. Eventually, it didn't matter where these brothers and sisters lived, they would still pick them up "on their way" to church, even if the location wasn't near them. After service, they would also often take these brothers and sisters out for dinner together before sending them home.

Not only that, they also made friends quickly, and when the church had evangelistic services, they would invite them and pick them up, too. During the days the church had evangelistic services, they would arrive at church for morning prayer at 10 am as usual, and then go back to the city to pick up the truth-seekers to make it back in time for the afternoon evangelistic service. This sometimes meant that they had to miss lunch or have a really quick lunch because a direct trip from the city to the church on Sabbath day was around a fifty-minute drive.

Being new to Melbourne church, they were not scheduled for any dishwashing or cleaning duties. But every lunch without fail, they would pick up a cloth and a bowl and go around to wipe all the tables as they saw fit. Once they were on the schedule, they didn't just do it when they were scheduled; they still helped every week with what they could.

Lastly, after one year was up and they returned home, they donated their car for church use, which meant a great deal to the church. Previously, church would hire a van every Sabbath day and make four-to-five trips to the nearest train station to pick up members who caught the train to church. Now, the church no longer needs to hire a van.

Truly, this couple has been greatly missed by many members here, especially the overseas students who live in the city area. Their genuine love for brethren and friends, their concern for the needs of the church, and their sacrificial attitude truly embodies that of Aquila and Priscilla.
