Teacher's Guide & Student Workbook

Victory in God

"I will praise you, O Lord,
with my whole heart; I will
tell of all Your marvelous
works."

(Psalm 9:1)

Year 1 Book 3

This kindergarten Teacher's Guide is dedicated to those who serve God in the children's ministry. May God continue to grant you wisdom and strength to impact the future generations.

Teacher's Inspiration

Are you addicted to activity?

Are you addicted to activity? What are some of the things that tend to steal your time? Do you spend time with God on a regular basis? Are you going to begin to make those times a priority? When are you going to set up your appointment?

God commands us to seek Him and meditate on His word. That is His number one goal for our lives as we begin to build a relationship with Him. If we become so busy with other activities that we are left with no time to pursue God, we have made a mistake somewhere along the way. Turn back to God and He will fill you with His word as you spend time with Him.

**"But His delight is in the law of the Lord, and in His law he meditates day and night."
(Psalm 1:2 NKJV)**

Victory in God

Welcome to the world of four- and five-year-olds. This year will be an exciting one as your young students are exposed to their first formal teachings from the Bible. Your students will come to you with a variety of backgrounds, both culturally and linguistically, along with how much experience they have had with church and the words of God.

Your students will learn in a variety of ways including visually, kinesthetically, and aurally. This means that it will be very important to use pictures and hands on experiences as you tell the story in order to meet the individual needs of all the students in the classroom. Visuals are good reminders as you review prior lessons and connect them to future ones. Hands on activities will help the students to internalize the lessons and make them more meaningful. It is also vital to ask students to share what they have learned. By letting your students retell the information they have heard, you will be able to see what they really understood, and what might need to be revisited in the future.

Take the time to be involved and get to know your individual students. Try to keep them excited, involved, and focused. As you plan the lesson, it is important to remember to let them have the opportunity to move around or change activities every five to ten minutes since their attention span is only about four to five minutes long. They can come up to the board and point to an answer, give you a thumbs up or thumbs down, whisper their answer to their neighbor, or stand up to answer a question. This can help keep them on task and involved throughout the hour.

This book is designed to be teacher friendly and each lesson follows the same structure. It is very important to read and review the lesson you will be teaching at least one week ahead of time in order for you to prepare the materials you will need. Vocabulary development will be a key step to each lesson at this young age and it would be very beneficial to prepare visuals to go with each new vocabulary word. They can be posted up for the students to review each week. Also, if there are many characters to the story, you might consider preparing visuals for each one so that it is easier for the students to follow along. The last thing you will need to consider is which activities will be best for your group of students. Each lesson contains several for you to choose from. Some of your students will be able to draw on their own, but most will need a lot of help. They will likely work well on activities they can trace, color, cut, or glue.

Remember that all students develop and learn in different ways and at different rates. So be patient, persevere, and have fun as you teach. In the end it will be a wonderful experience for everyone.

All Scriptures are quoted from NKJV

Welcome to this exciting opportunity to reach four- and five-year-olds with the wonderful news of God's love. This quarter's lessons focus on the Israelites' journey into the promised land of Canaan as well as some famous characters, including Samson and Ruth.

In **unit one**, they can begin to see how obedience to God is vital to a believer's life. Rahab and Balaam offer contrasting examples of what happens when a person chooses to obey or disobey. For very young children, it is not always easy to know how to choose between right and wrong. Through these lessons, they can be encouraged to follow those who chose to obey and were greatly rewarded in the end.

Unit two offers stories that tell about what happens when God's people trust in Him. Even the walls of Jericho came tumbling down all because the Israelites trusted in God's provision. It is not too early to teach children how they can show trust in God even when things are difficult because nothing is too hard for the Lord.

Unit three focuses on Samson and Ruth. Their stories cover many traits, ranging from selfishness to loyalty to love. The children can learn from these characters the kinds of behaviors they should or should not emulate.

As you teach this unit, let the theme of each lesson shine through. Make the stories come alive so the children can fully understand and appreciate their teachings. They depend on us, the teacher, to interpret the stories for them. Invite them to learn about God, to share God's love with others, and to grow ever stronger in their faith. We hope you will enjoy growing with the Kindergarten Class as you teach them more about the Word of God. Enjoy this new quarter and experience the good news with all the wonder and awe of four-and five-year-olds!

Your Teaching Procedures

1

Hymnal Worship (10-15 minutes)

Purpose: To help the children praise God through hymnal worship.

Procedure: Always start a session in the name of our Lord Jesus. The teacher or assistants will then lead the children in simple hymns, or action rhymes.

2

In-Class Worship (15-20 minutes)

Purpose: To let the children hear a Bible story and respond to its teachings.

Procedure: Say a short prayer in the name of our Lord Jesus. The Bible story may be told to the class as a whole by one teacher, or the class may be broken up into smaller groups with a teacher for each group. There are 3 steps in the In-Class Worship Procedure. They are:

- 1) Bible Story
- 2) Check for Understanding
- 3) Life Application Story

Do not forget to explain the key vocabulary words which are listed in each lesson.

3

Bible Learning Activity (10-15 minutes)

Purpose: Helping your students become familiar with the Word of God is part of a teacher's mission, but an equally important part of the job is helping the students put the Word of God to work in their own lives. The activities have been planned to encourage your students to act upon what they have learned.

Procedure: Let the students work on the Student Activities. (If the activities require group involvement or cutting and pasting, be sure to have assistant teachers.) We have come up with a variety of activities as well as optional ones. Please see what suits your students' needs. End the activity with a concluding prayer.

Meet your Life Application Families

Praise and thank God that each lesson contains a Life Application Story to enhance the objective of the Bible story. We sincerely wish that you go through these family backgrounds before sharing them with the class. Enjoy sharing these stories with your loving kindergartners!

1

The Hayes Family

The Hayes family is comprised of Pastor Hayes, his wife, and their daughters Cathy and Rachel. Cathy is six and Rachel is four. Being typical sisters, Cathy and Rachel get into arguments sometimes and those are the times they remember to rely on God to work out their problems.

2

The Lewis Family

Mr. and Mrs. Lewis have two children named Julie and Tommy. Julie is eight and Tommy is six. Mr. Lewis is often away from home due to his job, so most of the time it is just Mrs. Lewis and the two children at home, at church, etc.

3

The Lopez Family

The Lopez family came to believe through a great miracle. Ricky, the oldest son, was dying from a chronic disease, but Jesus healed him. Through this, the whole family was brought to Jesus. Besides Mr. and Mrs. Lopez and Ricky, there is the youngest son named Juan. Ricky is nine and Juan is six.

4

The Lim Family

The Lim family is a relatively large family, comprised of Mr. and Mrs. Lim and their four children. Nicole, who is seventeen, is the oldest. Lisa, who is thirteen, is in junior high. Benjamin is nine years old and in the fourth grade. Susie is the youngest, at five years old. The Lim family converted from Buddhism some time ago. Nicole and Lisa might remember their former lives, but Benjamin and Susie pretty much grew up in the church.

5

The Marsh Family

The Marsh family are long-time believers in Christ. Mr. and Mrs. Marsh have two children who were baptized as babies. Michelle is seven and John is five. Both children have grown up in the church and have at least a fundamental knowledge of the truth.

Conveying Jesus Christ to Our Students

The following is a list of Bible truths kindergarteners are able to understand:

1. Praying is like talking to God. We can pray to Jesus anytime and anywhere.
2. Coming to church every Sabbath is to worship God. God loves us when we worship Him.
3. We can learn more about God when we come to church.
4. The Bible is a very special book. It is full of God's word. We love to hear God's word and obey what God tells us.
5. Jesus loves us when we share, obey and give what we have to Him and to others.
6. Jesus is God and He is the creator of all things—our planet and all the people.
7. Because of our wrong-doings (sin), Jesus died for us on the cross. But He promises us that He will come back again. He will take us back to heaven to be with Him.
