# LESSON GUIDE

The E2 lessons can be separated into 3 sections with several subsections that, as a whole, are aimed to provide a comprehensive Bible study of the selected topic.

The first section is an **introduction** to the lesson and includes the Objectives, Memory Verse, Prayer, Overview, Background Knowledge for the Teachers, and Reaching Out to Your Students sections. This section is meant for the teacher to study while preparing the lesson so that the teacher will know in which direction to guide the students while teaching.

The second section includes the **main content** of the lesson that will be taught to the students during class. Here the teacher will find the Opener, Vocabulary, Bible Discovery & Spiritual Teaching, Linking to the Ten Basic Beliefs, Check for Understanding, Life Application, and Activity sections.

Lastly, the students will have a homework assignment to take home and complete after class as a **review** of the lesson. The students are expected to bring back the homework assignment to the next class completed and with a parent signature.

This lesson guide will list each subsection and explain its purpose, as well as how teachers should use the information in that subsection.

## I. Introduction to the Lesson

### 1. Objectives

These are the objectives that the lesson aims to fulfill. The teacher should always remember to reinforce ideas and teachings that will fulfill these objectives.

### 2. Memory Verse

The teacher should go over the memory verse at the beginning of class and ask the students to have it memorized by the end of class.

### 3. Prayer

Go over these points with the students before beginning prayer so that they will know what they should pray for, in addition to their own prayer requests.

### 4. Overview

A simple lesson overview that emphasizes the important points of the lesson.

### 5. Background Knowledge for Teachers

Relevant biblical background knowledge that can aid the teachers in understanding the lesson.

### 6. Reaching Out to Your Students

This section provides an insight into how the students might react to the lesson and how to help the students understand the lesson.

## II. Main Lesson Content

### 1. Opener // 5 Minutes

The purpose of the Opener is to ease the students into the lesson by bringing up relevant topics that will relate to the Bible study. This will give students time to calm down before the teacher goes into the main content.

### 2. Vocabulary

The vocabulary is provided to explain some of the more difficult terms. The teacher can choose to go over the terms before beginning the Bible study or as the terms come up during the lesson.

### 3. Bible Discovery & Spiritual Teaching // 30-35 Minutes

This is the main section of each lesson. It will provide an in-depth study of the selected topic and the students will also be provided worksheets to fill in as the teacher conducts the lesson. The teacher should look at the worksheets while preparing the lesson and print out a copy to use as an answer key during class. The aim of the worksheets is to keep the students focused and to let them actively participate instead of passively listen.

### 4. Linking to the Ten Basic Beliefs // 2-5 Minutes

It is important to tie each lesson back to the Ten Basic Beliefs to reinforce the students' knowledge of the Beliefs; therefore, this section will briefly tie back the lesson to the Basic Belief to which it relates.

### 5. Check for Understanding // 5 Minutes

This section tests the students' comprehension of the teachings they just learned in the Bible Discovery & Spiritual Teaching section.

### 6. Life Application // 10 Minutes

The Life Application section aims to make the lesson content more life applicable and will allow the students to relate the lesson's teachings to events that happen in their daily lives. The goal is to give the students a chance to apply what they have learned in the lesson to their daily lives.

### 7. Activity // 10-15 Minutes

Each lesson will include one or two activities that relate back to a teaching or story in the Bible Discovery & Spiritual Teaching section.

## III. Homework Assignment

Students are to take this home and return it the next week completed. There are four elements to the homework assignment: (1) Bible reading and prayer chart, (2) what they learned from the Bible, (3) memory verse, (4) and a lesson-specific assignment. The Bible reading and prayer chart is provided to track the students' progress during the week. In addition, the students will have to write down the memory verse and two things they learned from the Bible during that week. The last part of the homework assignment is specific to that week's lesson. It is advised that the students obtain a parent signature to make sure that the parents know what the students are learning each week.
